GENERAL SALES CONDITIONS

VALIDITY

Rates featured are valid from 01 April 2008 to 31 March 2009, with the exception of specific information noted on relevant pages.

RATES

Rates are given in good faith, however they can be modified at any moment, with or without prior notice, depending on the requirements of our Contractors (hotels, airline companies, transporters etc.) and for which Nautilus Tours cannot accept any responsibility. Only the Confirmation Invoice, issued for each file, will guarantee the correct rate.

Rates are given with taxes included. These taxes are sometimes specified: the 5% T.S.S. (Taxe de Solidarité sur les Services) ; the T.H.N. (Taxe Hôtelière sur la nuitée) the amount of which depends on the hotel and room category ; the CTC (Contribution Tarifaire Conjoncturelle) applicable to all Air Calédonie domestic air tickets.

These taxes are subject to modification, with or without prior notice. All modifications to the taxes will entail an immediate change to the rates indicated in the Sales Manual or in our website.

Children's rates apply to children aged less than 12 years old (unless specifically noted otherwise), travelling and sharing room with parents.

The net Tour Operator rates are confidential and must not be given out to third parties. The Rack Rates are those recommended to be used as the selling rate. NAUTILUS TOURS reserve the right to give out these rates to passengers and cannot be held responsible if these rates are divulged.
